

# How To:

## Cultivate a **Healthy Social Emotional Environment** in Your School Community

Greet each  
student  
personally - learn  
their names.

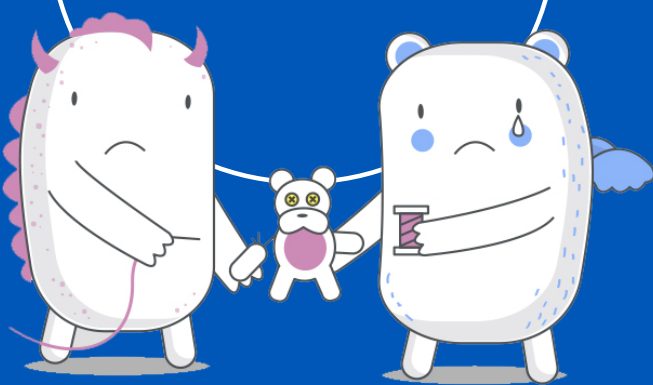

Promote a  
culture of  
kindness.

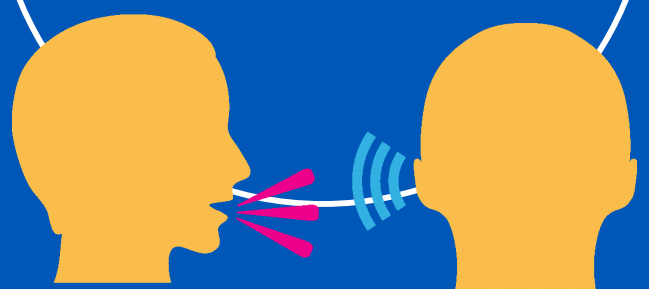

Teach students  
how to set goals &  
the steps to  
achieve them.

Teach &  
demonstrate  
empathy.

Practice active  
listening with your  
students.

Give students  
the opportunity  
to collaborate in  
pairs & groups.
