

Live KIND

Who do you know that Lives KIND?

now

every person has value and deserves kindness regardless of age, race, political views, religion, etc.

invest

in connection and actively listen.

notice

others' perspectives and feelings.

demonstrate

care, concern, and compassion through action.

People who Live KIND are purposeful in getting to know others in a meaningful way and demonstrating care, concern, and compassion. They see beyond first impressions and make an effort to hear and understand others.
